

Product Features

Philo Edu is TV the way your students want it.
Offer live, recorded, and original content on any device, anywhere on campus.

Live TV

The channels you know and love streamed anywhere on campus.

Sports, news, and season premieres are better watched live. Now you can provide the live experience on the most popular devices. If it's in your channel package, it's on Philo Edu. Your live content, delivered smoothly and securely, the way your viewers want it.

ALL OF YOUR CHANNELS

HIGH DEFINITION

PAUSE, REWIND, FASTFORWARD

UNLIMITED SHOWS

NO SET TOP BOX

Smart DVR

Automatically record new episodes. Watch on your schedule.

Philo Edu viewers can watch and record their favorite content seamlessly across their devices without a set-top box or local hard drive space. Viewers select their favorite movies and shows and Philo Edu will record them automatically.

Most Popular Devices

Students manage their own devices. No set-top boxes needed.

Make your service more relevant by bringing a full TV experience to computers, tablets, smartphones, and TVs. For TVs around campus, use a Roku Streaming Player to watch Philo Edu.

LOWER INFRASTRUCTURE COST

Anywhere on Campus

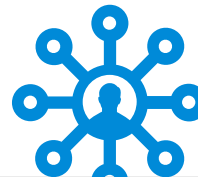

Anywhere on your network. Philo Edu is always on.

Take your TV out of the residence hall. With Philo Edu, watching shows and movies on campus is as simple as connecting to the campus network.

A Social TV Experience

See what's trending on campus. Watch with friends.

Movies and shows are better enjoyed with friends. With Philo Edu, your students can see what's popular on campus tonight so they can talk about it tomorrow.
